

Looking for Child Care?

When choosing a child care program, families should be selective in finding a setting that suits their unique needs. Steuben Child Care Project helps parents define their personal criteria for the ideal care setting for their child and identify potentially suitable programs. Contact Angelina at 776-2126 x236 or email at warda@proactioninc.org at Steuben Child Care Project, so she can assist you with your family needs. This service is at **no cost**.

SCCP can help by:

- ✓ Providing consumer education on a variety of options enabling parents to make the best child care choice.
- ✓ Customized referrals from a continually updated database.
- ✓ Developing more care options to meet traditional and non-traditional demands for child care in every community.
- ✓ Direct linking to child care subsidies which help eligible families pay for child care.
- ✓ Assisting parents of children with special needs to find the best care in natural child care settings.
- ✓ Counseling and resource materials that enable parents to raise healthy children and maintain positive child care relationships.

If you would like to request referrals by email please use the above email address and supply your name, address, email address, phone number, best time to contact you and age of the child(ren). The Parent Education Counselor will contact you by phone for additional information and provide referrals that meet your needs.
